A monthly newsletter published for the parish and friends
of Christ Episcopal Church of Bowling Green, Kentucky

AUGUST 2018

Christ Episcopal Church is a community of Christ's servants who seek to —
Worship God with joy and wonder,
Learn and Grow together, and
Radiate God's love to all.

From The Rector

Dear Friends,

I wrote to you last month about my longing to be in Austin at the 79th General Convention of the Episcopal Church. This month, I'll admit to you that I found ways to be there, even while staying safely ensconced in south-central Kentucky. As the two houses which represent our church – the House of Deputies and the House of Bishops – debated and discerned weighty matters like Prayer Book revision and opening sacramental marriage to same-gender couples in every diocese, I was able to pull out my laptop and follow the discussions through the General Convention Media Hub. At one point, while at camp, I had a group of counselors watching over my shoulder as “the Doyle Amendment” was debated in the HoD. If you want to know more about the major outcomes from General Convention, follow the link at the bottom of this article.¹

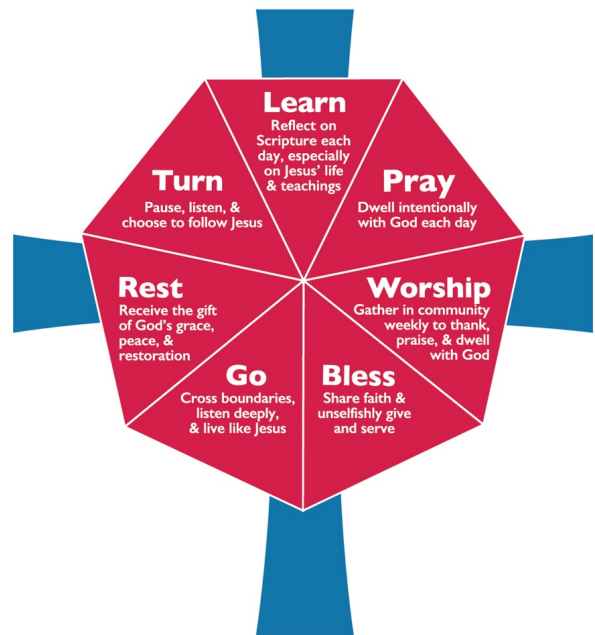

What was more important than any piece of legislation, however, was the seven spiritual practices that our Presiding Bishop preached about in his sermon at the opening Eucharist. Calling it The Way of Love, Michael Curry outlined a way of life for all Episcopalians to follow in their daily lives.

Like any rule of life, the Way of Love is not as easy as it seems at first blush. Choosing each day to turn and follow Jesus sounds like a great idea, but in a world that is constantly encouraging us to choose ourselves, our wallets, and our own security, this action is profoundly counter-cultural. Making time to learn and pray each day and worship God every week means forming new habits, and as one who has started running 30 times in the last five years, I can assure you that new habits are hard to build. Blessing the world by sharing our faith and giving of our resources is risky, and let's not even start to think about what Jesus mean when he said, “Go!”

The hardest piece might be the call to rest, as our 24/7 culture rarely affords us a minute of downtime, let alone a full day of sabbath. Still, no matter how challenging the Way of Love might be, the reward will most certainly be worth it. For every disciple who chooses to engage this Way, the Kingdom of God will be that much closer to earth as it is in heaven, and this good creation that God so lovingly made will be another step closer to restoration, thanks to committed disciples who, with God's help, take on the hard work of love.

If you would like to talk more about the Way of Love, let me know. There are many resources available to help you grow in the areas you might need to focus on. And, if nothing else, I would love to pray for you as you walk the Way of Love.

Grace and Peace,

THE WAY OF LOVE
Practices for Jesus-Centered Life

From The Associate Rector

Dear Friends,

One of the greatest ways to get to know people is to sit with them and share bits about our lives over a meal. I love the way people's eyes light up when they share a dish that is dear to them while getting to tell a story about their great aunt Ida who originally created this dish. But this kind of connection doesn't just happen at tables in homes, it happens at tables in all sorts of places: restaurants, churches, parks; what matters is not the setting, or even the food on the table necessarily, but the openness of sharing parts of our lives with each other. This is something that I'd love to be able to offer our college students as they return to WKU, or for new students, to provide an opportunity for genuine connection with the people of Christ Church.

My hope for incorporating what I've deemed as "Adopt a College Student", is that each of our students in our Episcopal Campus Ministry will be able to have a connection with members of Christ Church. Ideally, those who have volunteered to adopt a student will treat them to dinner once a month, either in their home or out at your favorite Bowling Green restaurant.

For the most part college students are always willing to get a good meal, most people know that, but I think one of the greater hungers and needs of our students is to hear stories. Over the last academic year, those members of the church who provided our dinner and were able to stay and eat with us have experienced this. They want to know what other people's lives are like; they want to hear your stories. They also, like many of us, are interested in sharing their own stories as well.

We at Christ Church are lucky to have a group of engaged, passionate college students who are genuinely delightful to be around. They are each unique, kind, and fun in their own way, and I know that opening up your family or home to them will certainly be a blessing for both them and you. If you have interest in this, or have further questions before committing, please contact me either at church or through email, Becca@cecbg.com.

Grace and Peace,

WHAT IS GODLY PLAY?

Godly Play is the Montessori-based Sunday school curriculum used for children's Sunday school which helps them to explore their faith through story, to gain religious language and to enhance their spiritual experience through wonder and play. Through play, we learn about God! Join us!

SUNDAYS FROM 9:00-9:45AM BEGINNING AUGUS 12TH

The Ten Best Ways for Parents

One Godly Play lesson tells children about the “Ten Best Ways” to live-the Ten Commandments that God gave to God’s people. Here are the “Ten Best Ways for Parents.” They are not commandments, but ways we invite you, the parent, to share more fully in your child’s Godly Play Sunday school experience.

- 1. Godly Play sessions take place from 9:00-9:45am each Sunday morning. Try to attend regularly. The story lessons are told at the beginning of class.
- 2. Please help your children be on time. They won’t want to miss a minute!
- 3. The Godly Play Circle is built slowly and lovingly, to welcome each child, one at a time. When children arrive, they wait outside the door while the teacher helps them get ready to join the circle.
- 4. Please say your goodbyes at the door, and know that the teachers are ready to make the next 45 minutes a safe and welcoming time for every child.
- 5. When you pick up your child, keep in mind that children will not always be able to tell you what they learned, because what they learned was how to learn about the powerful language of the Christian people.
- 6. Also keep in mind that children will not always be able to show you their “work” that day, because some of what they learned cannot be put into words even by adults. In Godly Play, we focus on our relationship with God and the depths of relationships in the community of children.
- 7. Please don’t come into the room during class because we want the Godly Play room to be a special place for the community of children. Even the teachers keep their profiles low during a Godly Play session!
- 8. We would be happy to welcome you on a visit to the Godly Play room outside class time. Call or email Laura Goodwin at 843-6563 or Laura@cecbg.com to arrange a visit or to ask any questions you might have about the program.
- 9. We welcome volunteers to support the teachers and the community of children by preparing the weekly “feast,” by taking care of classrooms and materials, and by making materials for the teachers to use. Email Laura@cecbg.com if you would like to help.
- 10. Pray for the children’s education program at Christ Church and for each child who will be touched by it.

ADOPT A COLLEGE STUDENT

Welcome a WKU student into part of our Christ Church family by welcoming them into your own. By adopting a college student, each family will be given one student to share a meal with at least once a month for the 2018-2019 academic year.

Churches United in Help Ministry

Where does a single parent turn when one of her children, who has a broken leg, has been diagnosed with a rare bone disease and needs home care? The mother must stay home with the child so she cannot work. Then she receives an electric bill of over \$200. We had this case show up recently while interviewing people for help with utilities, emergency prescriptions, and gasoline for trips to doctors in Louisville and Nashville.

Fortunately, we were able to help this parent and refer her to other agencies for more long term help because of your generosity. But we are not able to help many people with similar problems because of a lack of sufficient funds. If you are willing to support this outreach ministry, mark your check for HELP MINISTRY and it will go to a worthy cause. Thanks in advance for your generous support!

Come join us in the Chapel on Tuesdays at 12:15pm.

No preparation is needed. Come as you are. All are welcome.
